RE: Reduction of Toxics in Packaging

We certify that all packaging and packaging components sold to Phylco Audio Duplication who then supplies the final product to Greathall Productions Inc. comply with the requirements of the toxics in packaging law(s). Specifically:

- 1) We certify that the regulated metals – lead, mercury, cadmium, and hexavalent chromium -- were **not intentionally added** to any package or packaging component during the manufacturing process.
- 2) We further certify that the **sum of the incidental concentration levels** of lead, mercury, cadmium and hexavalent chromium present in any package or package component does not exceed 100 parts per million by weight.
- 3) We will maintain adequate documentation of this certification for inspection upon request.
